The Company may change the required premiums due on any premium due date by giving the Policyholder at least 31 days advance written notice. Notice given by or on behalf of the claimant to the Company at AIG Accident and Health Claims, P.O. Box 25987, Shawnee Mission, KS 66225, with information sufficient to identify the Insured, is deemed notice to the Company.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

Proof of Loss. Written proof of loss must be furnished to the Company within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of an Insured will be made to the Insured's beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss. If an Insured dies before all payments due have been made, the amount still payable will be paid to his or her beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

With respect to losses suffered by Insureds whose permanent residence is outside the United States of America or Canada, the Company will pay any benefits that may become payable under the Policy to the Policyholder, who:

1. will hold such payment in trust for the sole use and benefit of the Insured or his or her beneficiary or other person to whom such benefits are payable (the Payee), as described in this Payment of Claims provision;
2. will transmit such payment to such Payee in accordance with the Payment of Claims, Time of Payment of Claims, and Beneficiary Designation and Change provisions of the Claims Provisions and General Provisions sections;
3. agrees that any such payment made by the Company to the Policyholder constitutes a full discharge of the Company's liability with respect to the claim for which payment is made;
4. will alone assume full responsibility for the proper application or distribution of such payment;
5. will indemnify, defend and hold the Company harmless for any claims, demands, judgments, losses, costs, expenses, liabilities and damages whatsoever, including interest, penalties and legal fees, arising from or relating in any way to such payment or to the amount, application or distribution thereof;
6. with respect to any application or disbursement of such payment in foreign currency, will use the foreign exchange rate in effect at the Policyholder's payor bank on the date the benefits

become payable to convert United States of America dollar-denominated currency into foreign currency.

Any payment the Company makes in good faith fully discharges its liability to the extent of the payment made.

Time of Payment of Claims. Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

Notice given by or on behalf of the claimant to the Company at AIG Accident and Health Claims, P.O. Box 25987, Shawnee Mission, KS 66225, with information sufficient to identify the Insured, is deemed notice to the Company.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in the Policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

If the loss is one for which the Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as The Company may reasonably require. Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of an Insured will be made to the Insured's beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss. If an Insured dies before all payments due have been made, the amount still payable will be paid to his or her beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section.

The refusal of a Physician or Hospital to make all medical reports and records available to the Company will cause an otherwise valid claim to be denied.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

With respect to losses suffered by Insureds whose permanent residence is outside the United States of America or Canada, the Company will pay any benefits that may become payable under the Policy to the Policyholder, who:

1. will hold such payment in trust for the sole use and benefit of the Insured or his or her beneficiary or other person to whom such benefits are payable (the Payee), as described in this Payment of Claims provision;
2. will transmit such payment to such Payee in accordance with the Payment of Claims, Time of Payment of Claims, and Beneficiary Designation and Change provisions of the Claims Provisions and General Provisions sections;
3. agrees that any such payment made by the Company to the Policyholder constitutes a full discharge of the Company's liability with respect to the claim for which payment is made;
4. will alone assume full responsibility for the proper application or distribution of such payment;

5. will indemnify, defend and hold the Company harmless for any claims, demands, judgments, losses, costs, expenses, liabilities and damages whatsoever, including interest, penalties and legal fees, arising from or relating in any way to such payment or to the amount, application or distribution thereof;
6. with respect to any application or disbursement of such payment in foreign currency, will use the foreign exchange rate in effect at the Policyholder's payor bank on the date the benefits become payable to convert United States of America dollar-denominated currency into foreign currency.

Any payment the Company makes in good faith fully discharges its liability to the extent of the payment made

Time of Payment of Claims. Benefits payable for any loss other than loss for which the Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which the Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

The Company may only contest coverage if the misstatement is made in a written instrument signed by the Insured and a copy is given to the Policyholder, the Insured or the Insured's beneficiary.

Legal Actions. No action at law or in equity may be brought to recover on the Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Policy. No such action may be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Beneficiary Designation and Change. The Insured's designated beneficiary(ies) is (are) the person(s) so named by the Insured as shown on the records.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, unless an irrevocable designation has been made, without the consent of the designated beneficiary(ies), by providing the Policyholder with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

If there is no designated beneficiary for an Insured's coverage or no designated beneficiary for the Insured's coverage is living after the Insured's death, the benefits will be paid, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

Physical Examination and Autopsy. The Company at its own expense, has the right and opportunity to examine the person of any individual whose loss is the basis of claim under the Policy when and as often as the Company may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

**IMPORTANT NOTICE TO OUR CUSTOMERS
REGARDING THE
OFFICE OF FOREIGN ASSETS CONTROL ("OFAC")**

Your rights as a policyholder and payments to you, any insured, additional insured, loss payee, mortgagee, or claimant, for loss under this policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL ("OFAC").

The United States imposes economic sanctions against countries, groups and individuals, such as terrorists and narcotics traffickers. These sanctions prohibit US persons from dealing with these sanctioned parties. The purpose of this notice is to inform you that we cannot violate US sanctions by engaging with sanctioned countries or people.

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under presidential wartime and national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers
- Proliferators of Weapons of Mass Destruction

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against designated countries. No U.S. business or person may enter into transactions involving designated "sanctioned" countries.
- OFAC publishes on its website a list known as the "Specially Designated Nationals and Blocked Persons" ("SDNBP") list. No U.S. business or person may enter into transactions involving any person or entity named on the SDNBP list.

Additional information about OFAC Sanctions Programs and Countries can be found at:
<http://www.treasury.gov/resource-center/sanctions/Programs/Pages/Programs.aspx>

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you or any insured, additional insured, loss payee, mortgagee, or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations, we must block or "freeze" property and payment of any funds transfers or transactions.

POTENTIAL ACTIONS BY US

1. We shall not be deemed to provide cover when it would violate any applicable sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union or the United States of America. You will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
2. We will not pay a claim or provide any benefit to the extent that such cover, payment of such claim or provision of such benefit would violate any trade or economic sanctions, laws or regulations of the United States of America and we will not defend or provide any other benefits under your policy to individuals, entities or companies to the extent that it would violate any trade or economic sanctions, laws or regulations of the United States of America.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an "APPLICATION FOR THE RELEASE OF BLOCKED FUNDS" and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <https://www.treasury.gov/resource-center/sanctions/Pages/forms-index.aspx>
